AUGUST 7th IS NATIONAL LIGHTHOUSE DAY!
A couple NJ lighthouses are holding events in honor of National Lighthouse Day. See Page 7 for more details.
TRIPS - Mackinaw City & Sault Ste. Marie, Michigan
Mike Boucher

The New Jersey Lighthouse Society will be offering a tour of the lighthouses around Mackinaw City and Sault Ste. Marie, Michigan in late June or early July of 2014. Following is a preliminary schedule of the trip.

The trip will start by flying into Detroit’s Wayne County Airport on a Friday afternoon. That night we will stay at an area hotel and have a “Welcome to Michigan” Dinner. Saturday morning we will board the bus and travel to Mackinaw City. We will take a ferry ride to Mackinac Island. While on the Island we will have a tour of the Island by horse drawn carriages and then have the rest of the afternoon free. We’ll have dinner on the Island and have the evening to do what you like. Our hotel will be in Mackinaw City and the last boat from the Island will be at 10 PM.

Sunday morning we will take a boat ride on Lake Michigan and see 11 lighthouses. Monday will be on Lake Huron and we will see 9 lighthouses. After each of the boat tours, the afternoon will be free to explore Mackinaw City and its many shops.

Tuesday morning we will tour the retired Coast Guard ice breaker Mackinaw before boarding the bus for our ride over the Mackinac Bridge and entering the Upper Peninsula (UP) of Michigan. Our first stop in the UP will be the Great Lakes Shipwreck Museum and Whitefish Point Lighthouse. The Shipwreck Museum has a large area dedicated to the loss of the freighter Edmund Fitzgerald that sank on the Canadian side of Lake Superior. We then travel to the Point Iroquois Lighthouse. We will overnight at Sault Ste. Marie. On Wednesday we will have an all day boat ride up and down the St. Mary’s River and see 5 lighthouse’s and numerous range lights.

On Thursday we will spend a half day on Lake Superior and see 4 Canadian lights and the Point Iroquois Lighthouse from the water. The rest of the afternoon is free time to visit the Soo Locks and watch the ship traffic passing through (over 10,000 ships travel through the locks every year). You can also visit the Museum Ship Valley Camp, built in 1917 and retired in 1966. The Valley Camp is 550 feet in length and now features more than 100 exhibits that populate the ship’s cargo hold.

Friday, we board the bus and travel along the St. Mary’s River to the DeTour Passage Historical Maritime Museum and photograph the 6 Mile Front Range Lighthouse. Before returning to Lower Michigan we will stop at the Wawatam Lighthouse in St. Ignace. Once back in Mackinaw City we’ll be able to climb the Old Mackinac Point Lighthouse and McGulpin’s Point Lighthouse.

Our last day will include a boat tour to photograph the Saginaw Front Range Lighthouse before we go to our hotel by the airport.

A total of thirty-eight lighthouses are scheduled to be seen. More information and the cost will be announced in the September issue of The Beam. All hotels, bus & boat transportation, the carriage ride, museum and lighthouse entrance fees and meals will be included in the price. You will be responsible for your transportation to and from the Detroit area.

Wanted – Person for Ways & Means
Due to physical constraints, I am unable to do lifting for Ways & Means.
We need someone able to lift and help sell at meetings.
If location of storage is a problem, we can work it out.

A NOTE FROM THE COMMUNITY OUTREACH COMMITTEE CHAIR

The 2013 Community Outreach season is well underway, with the Point Pleasant Borough Earth Day Festival, the Spirit of the Jerseys State History Fair, and the Barnegat Bay Festival already “in the books”. Don’t let that dissuade you from being part of the outreach team, though! As always: volunteers (new and returning) are essential to keep our Society throughout the community. Remember, you don’t need to be a lighthouse “expert” to be part of the team -- just willing to discuss our shared interests with event patrons. There’s always someone to “fill in the blanks”. We have an outstanding base of lighthouse knowledge in our membership ranks. Consider joining the Community Outreach team for the remainder of the 2013 season.

The outreach schedule for the year is posted on the NJLHS website. Just click on the Outreach link on the home page. Every effort is made to post updates or changes regarding events, if any details change. Please check it out and contact me if you are interested in volunteering.

I’m also happy to report that our NJLHS logo items continue to be a hit at to those who visit us at our various community outreach events. A big “thank you” for our Treasurer, Faith Giamboi, for spotting a great deal on some pens that we were able to imprint with NJLHS info and include in our collection of giveaway materials. Pens are always a useful and popular giveaway item!

Social Networking Update

As always, a friendly reminder to check out the Society’s presence on Facebook & Twitter! While you’re at it, please recommend that others become our “fans” on Facebook. We’re easy to find: either search the Society name in the search bar on Facebook, or navigate to www.facebook.com/njlhs. I’m happy to report that APPROXIMATELY 575 people “like” our page as of mid-November. If you’re not of these many “fans” yet, just look us up and “like us” today. Also let me know if you have a favorite lighthouse or lighthouse organization or interest group page that we should “like” on the NJLHS page. For convenience, our Facebook page so that all of the content posted automatically publishes on the NJLHS account on Twitter. You may find us at www.twitter.com/njlhs or on Twitter by typing out our Twitter “handle”: @njlhs in the Twitter search field. You can now keep up to date via your smartphone, iPad/tablet, and (of course) your notebook or desktop computer.

The Society also continues to publish notices of our General Membership Meetings to more than 60 media venues (newspapers/radio/websites) throughout the state. However, we are always looking to add outlets to our media list. It seems that as soon as we add an outlet to the list we lose a contact due to budgetary cut backs. In light of this reality, please share with me contact info (email address) for any media outlets that you feel would like to receive our media notices. These could include newspaper, radio, TV, or web-based resources. I’ll be happy to add anyone to our media distribution list.

Thanks so much everyone...and keep the lights shining!

A MESSAGE FROM MEMBERSHIP
Carol Naill and Linda Gleason - Membership Co-Chairs

We had a solid turn out for the March meeting and the annual Photo Contest. This year the goal is to identify NJ lighthouse photos for us to publish as part of a 2014 NJLHS Calendar. Those calendars are sure to be big sellers for the Society!

We look forward to seeing all our members, old and new, and guests are always welcome to our General Membership meetings.

Membership Numbers:
As of the June issue, we are only counting members who have renewed their membership for 2013 so we see a significant drop off at this time of the year. At the deadline for this issue, the membership numbers are as follows:

Single Memberships: 138
Family Memberships: 180 x 2 = 360
Total Members = 498 (88 fewer than included in the last BEAM!)

Gift Memberships:
Not sure what to give that person who has everything? How about a membership to NJLHS? You can find an application on the NJLHS web site and print one out. You can also get one from the Membership Team at the next membership meeting. The membership packet will be mailed to the recipient, with a personal note saying that their membership to the Society is a gift from you. Let’s get our numbers up!

New Members:
The following members have joined our Society since the last issue of THE BEAM in March. Please note that if you become a member after the deadline for The Beam, you will be listed in the following issue. If you happen to meet any of these new members at a future meeting, please welcome them!
